The Order of the Stick Adventure Game Deluxe: The Dungeon of Darokan + The Shortening

Adventure! Comedy! Beating your friends! What else could you ask for in a board game?

Why just read about foolish and incompetent adventurers when you can *be one yourself*? Dive head first into the world of the inexplicably popular fantasy gaming web comic, *The Order of the Stick* with the aptly-named *The Order of the Stick Adventure Game*! Take on the role of one of the six daring (if less-than-capable) adventurers as you explore each room of the mysterious *Dungeon of Darokan* in this hilarious satire of the fantasy genre. But beware, for the evil undead sorcerer *Xykon* awaits you at the bottom of the dungeon, and he has nothing better to do than focus on wiping the floor with your sorry butt.

Play the popular **OOTS** board game in just two hours with **The Shortening** expansion. With new monsters, new shticks, new backstories, and a certain lich who isn't going to just sit around and wait for you to get to the bottom of the dungeon, you'll have more fun in half the time. **(and lots more cards!)**

Do you have what it takes to defeat the *Dungeon of Darokan*? Beats me. What am I, psychic? Buy the game and find out.

Things That Are Cool About This Game: (1) Train your character in a variety of shticks from their personalised deck. Each of the six playable characters is a different gaming experience! (2) Build the dungeon as you go - the game board is never the same twice. (Well, actually, it could be the same every few trillion games, I guess.) (3) Choose which monsters the other players will face in battle, but watch out - the monsters may band together to turn the tables on you. (4) Trade your unearthed loot with other players for cooperative play - or stab them in the back and run off with theirs. Your call, really.

Game includes: 6 Shtick Decks (120 cards), 1 Battle Deck (158 cards), 1 Loot/Trap deck (124 cards), 1 Dungeon Room deck (54 cards), 10 Xykon Battle cards, 8 Xykon's Lair Room cards, 8 Stairs cards, 1 Dungeon Entrance card, 6 Character cards, 6 Character Movement cards, 6 Quick Reference cards, 6 Wound tokens, 2 12-sided dice, 32-page full-colour rules, 8-page full-colour comic, A box to keep it all in.

Hey, that's over 500 cards!
